

Reveel-It[®]

Imaging Reader

www.Reveel-It.com

A Credentials' Reader that is guaranteed to catch your attention!

Developed and patented by Astornet Technologies, Inc.
Reveel-IT Imaging Reader instantly reads:

- US Driver's Licenses
- Canadian Driver's Licenses
- US Military IDs
- US Immigration & Naturalization IDs
- Federal & State Government IDs
- Credit Cards
- Store Cards
- Company IDs

Just place a bar-coded ID on the top window
Or
Swipe a magnetic-stripped ID. Reading is done in 2 seconds.

It is compact, convenient and takes very little counter space.

Can be easily integrated with any software application.
